

MultiScreenTM

...advertising opportunities

Do you represent a charity or a community or
voluntary group?

Herefordshire Libraries are offering you the
opportunity to promote your organisation on
our MultiScreen system, from as little as
£15.00 for 4 weeks.

MultiScreens are a fantastic multimedia advertising tool. Our six
screens at Hereford Central Library, the Bromyard Centre and
the Kington Centre show slides with information and images.
All you need to do is send us the slides or information to input
into our slides and we will display it for you.

See our website for further information and application details.
